Respected Sir,

We the Brahmanical Community of Chitaldroog most respectfully beg to intrude on your most precious moments with the following and humbly anticipate that our solicitation may be taken into your kind consideration and eventually our prayers granted.

The Durga called the Brahmanical Sanskrit in which we hold our daily devotions, and which, from its very sacred nature seems to have been constructed by Divine Nature at an enormous cost and upwards of 20 years back repairs done to it, and the consequence is, that some of its Pillars Domes & other monumental work have been greatly damaged, so much so, that, if it is left in the state which it is, for some time more it,

any proceeding in order. We beg leave to say, that it will in course of time become in delapidated and its restoration will require an enormous outlay.

In the time of Colonels Porter and Hobbs extensive repairs were effected and a system brought in.

The situation of the Building being in the heart of the town it has a grand effect, and thereby the attention of the Gentlemen who visit this place second none and they are directed towards it and the visitors are all pleased with the nicety of the building.

During your late visit you were pleased to visit the building, and had to observe that the building was greatly neglected, and that steps should be taken for its repairs, and we therefore take the earliest opportunity to submit an estimate drawn up by us to the amount of £254, and to state that the items therein enumerated are for such urgent repairs as are urgently needed; but if a proper

We beg to state that our Community are very indigent and in an impoverished position to Contribute for its repairs, as the Majority of us are mere Labourers and the income we get are hardly sufficient to meet our wants.

Under these circumstances we pray that you will be pleased to accept our solicitation and sanction the boon prayed for.

We beg further to state that the Govt. now is very Charitable in restoring Devas-thanams, Chathrams, Tanks, and wells &c., and it is needless for us to add that the Mosque for the repairs of which we now solicit is not, on this ground undeserving of the patronage to which we Consider we are rightly entitled.

In Conclusion we beg to reiterate the above prayer trusting that you will kindly forward this with your kind recommendation to the Comm.r Nagpur Division to whom we have addressed separately.
